

REDUCED SODIUM FOODS - Canine (In order of decreasing sodium content)

These lists are not exhaustive.

- Don't assume that the canned and dry versions of a food will be similar in nutrient content.
- Different flavors of the same food can be very different in nutrient content. If these lists specify a flavor, they refer to that flavor only.
- These lists were updated October, 2018. The nutrient content of diets can change very often. Check with the manufacturers for up-to-date information frequently!
